

SAFA SHADULI

Computer Science Engineering Student

safashaduli33@gmail.com | linkedin.com/in/safashaduli | github.com/safaashaduli

PROFESSIONAL SUMMARY

Computer Science Engineering student exploring cybersecurity, networking, cloud technologies, and secure application development. Interested in ethical hacking and understanding how modern digital systems are built, tested, and protected, with a focus on practical projects and continuous learning.

TECHNICAL SKILLS

Programming: Python, C Programming

Web Technologies: HTML, CSS

Cybersecurity: Cybersecurity Fundamentals, Password Encryption, TryHackMe, Wireshark

Networking: Cisco Packet Tracer, Socket Programming

Cloud: AWS EC2, S3, CloudFront

Tools: Git, GitHub

PROJECTS

Path Finder – Full-Stack Career Guidance Platform

- Developed a full-stack career guidance platform with user authentication and aptitude-based career recommendations.
- Designed the platform to support users in exploring suitable career directions through an interactive and structured approach.
- Deployed the application using AWS EC2, S3, and CloudFront.
- Resolved HTTPS deployment issues while improving secure application delivery and gaining practical exposure to cloud deployment workflows.

EDUCATION

B.Tech in Computer Science and Engineering

Sree Narayana Guru College of Engineering and Technology

APJ Abdul Kalam Technological University

Expected Graduation: 2027

CERTIFICATIONS

- Introduction to Cybersecurity
- Cisco Networking Academy | 2026

AREAS OF INTEREST

- Ethical Hacking & Cybersecurity
- Cloud Security & AWS
- Network Security
- Secure Web Applications
- Emerging technologies
